System Requirements For Malarky Elevator:

Sonic Pi can run on just about any Raspberry Pi, as long as it meets the CPU, memory, and disk requirements listed above. The only exception is the Model A (cased version) for which you will need a Model A+ - the Model A has a fan and fan header that is incompatible with the Model A+ and it does not have any features such as internal storage and Ethernet ports, so those are also not available on the Model A. Sonic Pi also requires a DAC to be connected to the Raspberry Pi, and
