### What's New in the?

Profit Loss Report is a simple alternative to accounting software for a small business to organize and track income and expenses. Make it easier for you or your tax preparer to fill out tax forms when tax time rolls around. For those in USA, expenses are organized to support Schedule C (self-employed tax form). For small business, home business, self employed. If you've outgrown the shoebox organization method, but aren't quite ready for full-blown accounting software, this spreadsheet is for you! Designed to save you time and money. Features: - Simple, easy-to-use interface. - Integrated for US filing needs. - Excel compatible (with additional import plug-ins available from Dropbox). - Automatically change US date format for 2009 and forward. - Reports in PDF and CSV format. - Default currency as US Dollar or Euros. A: OpenOffice Calc. Or, alternately, File -> Open -> Other -> CSV Import: OpenOffice is free and runs on Windows, Linux and OS X. However, it is not really a good spreadsheet and no spreadsheet editing features at all, it just lets you import, export and print in CSV format. You can make it do whatever you want by changing the formulas. You should know, though, that there is no built-in Accounting software for Windows, but Excel is very good. If you install OpenOffice in Windows, you will have to click a button to run the program as an application (rather than a command shell) so you might want to set it up to launch automatically at startup. You might also want to consider installing the OpenOffice extension manager so you can install new apps and update it in one click. The winning ticket was purchased at the Foodland on McNaughton Drive in Barrie. Foodland is a family owned and operated grocery store which opened its doors in 1956. The winner is a Barrie resident, and as luck would have it, he was in the area to purchase a lottery ticket at Foodland on McNaughton Drive when he matched the four numbers from a winning Ontario Lottery and Gaming Corporation ticket. He told BarrieToday.com that he plans to take a trip to Niagara Falls and thank his lucky star that he was in the area to purchase the ticket.In the ninth episode of Season 4, the Justice League goes toe-to-toe with the Ant-Man, and there are new powers revealed and adjustments made to the Justice League itself. It's a great chapter in the show, and the first episode of the season. This episode gives a little bit of everything that we can expect from this season of the show. The last episode of the season saw the arrival of the New Gods, who are a part of the Anti-Monitor's whole plan. This episode sees them
