
Variable Compleja Polya Latta

Download

Complex of variables. Polia, George; Latta, Gordon. Publisher: MÃ©xico: Limusa, 1976 Availability: No material available
Withdrawn (1). (Note: Two versions of this text are available. This edition contains a version that is not mentioned in the text. -

Transl. note) Complex of Variables is one of those books that cannot be read once and put aside without reading it a second time. And this is not surprising, especially if we bear in mind that it is one of the first books on social psychology written in the United States of America. It was published in Mexico in 1976 by Limusa.
