[Playlist] *Dedicated to the Storytelling * Lend Me Your Eyes When you are a young child lost in the endless expanses of a sprawling land where you are caught in the hypnotic spell of a terrible prophecy, you chance upon an old woman. She tells you of a great and fantastic sword called the lost Esper and her tale of black magic concerning a legendary Elden Ring. From the Clouds Believing the woman, you set out to seek the lost Esper. After you've arrived in the most northern mountains and the edge of an unexplored island, you find the Esper and speak with the old woman about the prophecy. A Perfect Vow You asked the woman about the black magic involving the Elden Ring and are surprised when she says that she has a sacred promise to give to you. She throws the ring at you and tells you that she will come again to give a chance to choose from the sword or to repent. True Magic Immediately after, you find yourself transported to a strange realm filled with a variety of nameless enemies. As a child, you could do nothing but to run from them. However, as you grow older, you can truly understand the concept of magic. Here in this world, magic works differently. While many possess great magic, the ability to wield magic has all but vanished from this world and a new spirit has transformed magic into a mystical, terrifying power. Cursed Truths Magical powers sealed by the Gods' hands remain impenetrable and all but a few people cannot use magic even if they are gifted with it. Those who possess magic are venerated as great prophets oracles and offered up to the Gods with the privilege of pleading that the blessed blessings of the Gods be granted upon the world. However, at the same time, evil men who wish to hinder the Gods as well as those who aim to bring about the full despair of the Gods' wrath have their ways to use the spell. The Lands Between After beginning a journey in the southern Continent, you make a detour to the south-west to find a woman who's been on a quest for 2 years. Pioneer The woman has been wandering, searching for a mystical Rune that should be used to seal a breach in the sky. You bring her to the Rune and enter a different world in
