Elden Ring: Deluxe Edition [v 1.02 + DLC]+ Incl Product Key

---

The Story of The Lands Between The Lands Between, the embodiment of the floating lands of the Elden Ring, are ultimately one of the things people on Earth call their world. But such a world has no history or record, and the people of the floating lands are the ones who tell the tale of the Lands Between. The Lands Between are where the God of the Horntails, the Elden Ring's governing power, used to reign as a goddess. But some humans at that time began to believe that the God of the Horntails was a servant of the devil, so they tried to overthrow the Elden Ring and rule the floating lands. To stop them, the Elden Ring's spirit of light destroyed their army, and they imposed a magic barrier between the floating lands and the land that the humans called the Earth. Because of that, even after many years, it is thought that the floating lands do not exist. On the other hand, stories of the Lands

Between are the only proof of its existence. But the Elden Ring's power is still clearly seen in the Lands Between. That is what the people of the floating lands, who call themselves the Gloam, are deeply connected with. But, you can also feel their power, and that power has more links with the existence of the floating lands. That is where the story begins.

Features: 1. Types of Characters There are three different ways to play the game. You can choose the class of the person who will be responsible for ruling in the Lands Between. If you want to enjoy the joy of role-playing, you can take on the role of the Lord of the Elden Ring who rules the floating lands of the Lands Between from the sky. Or, if you are fond of strategy, you can choose the Heir to the Elden Ring, who has the most authority when acting as the Lord of the Elden Ring in the floating lands. Or, if you want to enjoy both strategy and role-playing, you can choose the Warlord who is a warrior and the Lord of the Elden Ring. You can use weapons that will leave a large impact on the game and easily specialize in several different combat styles.

---

Combine them with powerful magic to enjoy a variety of special attacks and enjoy the story. And, you can choose which class you want to use according to your playstyle and

### **iOS mobile user guide:**

In addition to the PC version, previous editions were released for iOS mobile devices. As it was known on iOS mobile and iOS home, the history of characters obtained from your form and very detailed information are protected. This game has no limitations in terms of hardware power, processing power, and platform specifications.

As for restrictions on iOS mobile and iOS home, please access NAVER Mobile Plus from a browser of the PC version using an internet connection. You can create a homepage using the contents that you obtained in the form at that time, assign it to your browser, and enjoy the game.

In addition, you can enjoy the game while traveling to a city such as Seoul, Busan, or Daegu at the local branch of Naver Space. If you have a ticket to Seoul for example, you can access to the Naver Space at any Naver Space in the city.

of numerous content. However, another country now appears. A goddess from afar. Let's get to know her. The town of Fantasy Land is currently under threat by monsters. Please take this chance to get close to Goddess Viveth and protect the town. The easiest route in this town is to take advantage of the Mystic to get to the bottom floor of the tower. The arcade game is available. Please play it and complete it. When that is done, the next reward will unlock. Objective 1: Start the job by moving there. Objective 2: Move to the bottom floor. Objective 3: Complete the arcade game. Objective 4: If you reach the top floor, that is a step in the right direction. There is no need to get stuck on just the town. Look at the world map to find your own route. Objective 5: If you encounter strange monsters or unknown areas in the map, travel and explore. To help you get to the bottom floor of the tower, the Mystic is waiting there. Meet the Mystic! The Mystic will help you on your journey, and you'll be able to get a variety of rewards. The Mystic can be acquired by traveling to various places. The Mystic will appear at the bottom floor of the tower. Game Introduction
