What's new:

Ultimate Destiny: Masters of Eternity is the tale of a young boy named Lelouch, who doesn't think he'll amount to anything, which is why he excels in stalking, with the strange hope that by spotting someone he can become a hero and become an adventurer. Suddenly, Lelouch finds himself in the middle of an adventure involving the pursuit of the fate of the world. Now the young hero is torn between doing something about the mystery that has fallen upon him, and doing nothing. These traits are what make our hero Lelouch. He will investigate the world, and that is where he will learn who he is. **Ultimate Destiny: Masters of Eternity** is an action RPG in which action-RPG mastery is reflected in the highest quality. To reach the ultimate, progress through a quest that will not only reveal more of that to you, but will also blur the line between reality and fantasy, and the present and future. Enjoy it all in the fullest, and search for a dearest goal!
