In southern suburbs as well as in northern suburbs it's snowing in November. It may snow till April in the center. During March, the weather is changing from snow to rain to overcast. The snow snow melts, the water doesn't evaporate and the ground is frozen. The results are compared with snow and rain conditions and the weather turns overcast. By April and May, the weather and the sky is changing from overcast to rain to snow. After the spring comes the summer.Black Panther Black Panther The Black Panther has been released in theatres around the world. The newly released film is the first film from Marvel Studios after its second cinematic reboot. It is a critically acclaimed film by director Ryan Coogler and the third highest grossing film of 2018. In the film the Black Panther is a superhero the ruler of Wakanda an isolated, technologically advanced African nation. The Black Panther has faced many obstacles in his quest to become king, including his love rivalry with his chief rival T'Challa and the threatening appearance of the highly aggressive and highly intelligent Wakandan Army. T'Challa has managed to defeat the Wakandan Army by harnessing the powers of the four other Black Panther's but is still caught in a power struggle with his former mentor and the current king. Episode 1 The Black Panther What happens when the son of the King of Wakanda is named the heir and must put aside his father's title in order to inherit the throne? This is the question the film Black Panther opens with. The Black Panther is the ruler of Wakanda. An isolated and technologically advanced African nation, Wakanda is a place like no other. Within the Wakandan society there is no political power. King T'Challa is
