AJW Sports has announced that it signed a multi-year deal with WWE. More than 25 years ago, AJW -- currently the WWE and SmackDown brand -- began its journey into the world of professional wrestling with a weekly television series on the USA Network. In recent years, the WWE Network has expanded into a 24/7 streaming channel and the WWE Network will bring AJW's back to fans. "We are humbled that AJW is joining us on the WWE Network and happy to continue the great association we have enjoyed for more than 30 years," said Vince McMahon, WWE Chairman & CEO. "It's an honor to be able to feature AJW's incredible talent on the WWE Network." "We are thrilled to bring AJW's back to the WWE Network," said Michelle Wilson, WWE Executive Vice President, Global Network Strategy & Franchise Development. "Our partners at WWE have been a great promotional partner in our partnership with the USA Network. We look forward to working with them again on the WWE Network." AJW will be available on the WWE Network from Thursday, March 8, and following the stream, AJW will be featured on WWE's popular website, www.WWE.com. AJW will retain all current programming and wrestler contracts. Q: Removing duplicate values with specific conditions I have a list of items with a timestamp that I am getting from a REST API. The list is in the form of [Key,Value],[Key,Value],[Key,Value]. So basically, the list is a duplicate

It's not all about MARTIN BREUNING (Mattias Belev in Spanish) and Lisbeth Salander, as it's also about a small group of revolutionaries who are fighting for human rights in a communist dictatorship - just like in the upcoming movie *The Seventh Gebirg*. In this trailer, take a look at some of the main characters and the premise of the new novel. Want to see the new trailer for the highly-anticipated movie *The Girl with the Dragon Tattoo*? Even better, you can't wait to see it! So it's better if you stay up late to watch the trailer. At 1:06 in the video, that's when you'll be seeing it! Because by 1:07, you'll be asleep! I have watched the new trailer for the movie *The Girl with the Dragon Tattoo* already, and I'm really impressed. A lot of things are really similar to the book, but the trailer gives you an exact idea of what happens in the movie. So you can't wait to see it, can you?! The next news is in the sixth chapter, and will you be surprised when you will be reading what they say? Hundreds of millions of people all over the world use Opera to enjoy the internet safely and privately, from their PC to their mobile phones. The principle is simple: don't track and don't spy on anyone, only collect data on your own devices. And for most of them, it's
