An action RPG that combines the music and art style of the legendary Sword Art Online, with the cooperative adventure, and RPG system of the no.1 Fire Emblem title Awakening. Please visit

[www.onefootstudios.com](http://www.onefootstudios.com) for more information. Exclusively on the Nintendo Switch! ■ Hyperdimension Neptunia Re;Birth 1 for Nintendo Switch Noreha is an only child and the daughter of a famous musician.

To impress her father, she holds a job as a research assistant at the very same school where her senior idol (Haruka Tenma) studies as an idol. Once Haruka sees Noreha, she is inspired to reveal her true identity as Gamindustri's greatest badass, the Gamindustri goddesses' summoner, and to compete for the spot of idol against Noreha. The Dream of going to Colegrove, a place where Gamindustri's heroes and heroines gather to enjoy themselves, is the motivation behind the action surrounding Haruka and her fellow newbies as they move about Seiren Island, where the "seismic waves" of Colegrove are waiting to welcome them! As Haruka's devoted follower and the only one who can do something about it, Noreha will be the one to decide whether she'll reach the threshold of her mission to once again bring back the lost god, Gamindustri's savior. Features ■ Character Customization
