We are developing an online-only fantasy RPG game, where you can play at your own pace, with your own purpose, and in your own environment. We have a simple and intuitive experience that offers a new kind of fantasy role playing game. ■ Action RPG Game Design You have the freedom to do as you please. Explore the vast Lands Between in the size and shape of your own imagination. ■ Action RPG Multiplayer on the Move You can directly connect with other players and travel together, or visit places separately. The online experience is an asynchronous, loose community style that allows you to feel the presence of others. ■ Tactical RPG Game Design You can freely customize your character, and combine weapons, armor, and magic you find in the Lands Between. The action RPG multiplayer experience is a first-person camera-based action RPG game that immerses you in the world. ■ Tactical RPG Multiplayer on the Move You can directly connect with other players and travel together, or visit places separately. Features Key:

Elden and World Creation: The game is based on the fantasy theme, "Power and Beauty." This theme is meant to convey a powerful and grand sense of nobility, and the "Lands Between" is imagined as a world of artistic expression. The user interface is in-theme, and a glorious setting was chosen for the game.

Utility Functionality: Numerous tools have been added to explore and connect, and to enjoy the game.

Click the arrows above to see screenshots of the tools contained in this update.

Want to play Elden Ring?

Worth noting is that, if you purchase the Map Add-on, you can play and explore the Lands Between with a map that includes a 3D Google world. Please refer to the feature guide below for more details on this feature.

Key information:

In this new update, the following features have been added:

- New Adventure Time Portrait
It is rare, to find or meet someone with a different kind of beard since the Elden Ring has spread. You can select any character who does not have this hairstyle among the characters present on the Lands Between. We'll be creating new hairstyles, but please be understanding that it might take a while. You can select them until the character's portrait is fixed at the bottom of the screen.
Those of you who transferred their characters or worlds from the previous version of Elden Ring, please select any characters who do not have this hairstyle and reset them. (They were not registered correctly.)
- Setting ToolBox
The Setting Toolbox can be found between "UI"→"Character" and "UI"→"World" in the main menu. In this tool, you can create a new world, move your character, or import a character. Please refer to the setting configuration guide below for details on its function and configuration.
- Setting UI
The Settings and Toolbox of the previous version of Elden Ring have been moved to this window. Game settings can now be changed
